Season +

Season Corporate Sponsorships with individual show designation: \$30,000

This is a special sponsorship level of support for those corporations who want to provide overall season support for Nebraska Rep but whose mission, community relations and marketing approach may align particularly well with an individual show.

This sponsorship level includes all the benefits of the Season Corporate Sponsorship and allows the sponsor to work directly with the Nebraska Rep marketing team to create custom marketing events tailored specifically around an individual show.

Support Your Theatre

Founded in 1968 by a group of theatre visionaries, Nebraska Repertory Theatre has produced over 200 shows and employed hundreds of actors, directors, designers, and technicians in the state's only professional producing theatre. Additionally, Nebraska Rep is one of only eight professional (Actor's Equity Association) theatres housed within an academic institution. This unique arrangement allows students from the Johnny Carson School of Theatre and Film (JCSTF) the opportunity to work and train alongside professional directors, actors, designers, and technicians.

The Theatre of All Nebraska — Engage. Enlighten. Unite.
